

Our Hirosho School Life!

What happened in March?

Graduation

On March 1st, the third year students officially finished their time at Hirosho. Many students, teachers and parents shed tears of joy and sadness as the students were sent off to begin the next important step of their lives. Everybody at Hirosho hopes for the graduating students to have a bright and successful future! Congratulations!

Class Match

Class match was held on March 18th and 19th. The 18th started out with all the classes competing in different sports. Boys played softball and basketball, while girls played volleyball and dodgeball. The first day ended with exhausted students. Then disaster struck! Overnight the weather changed and it became very rainy. The previous day's events couldn't be continued. Instead, each of the classes competed in dodgeball. The whole class would square off against an opposing class. It turned out to be a day of many great match ups. By the end of the day all the students were exhausted from the intensity of the day.

End of the school year and teacher transfers

Just like all other good things, this school year had to come to an end. On the 20th of March Hirosho held the closing ceremony. With the school year ending, some of the teachers from Hirosho were transferred to other public schools in the prefecture and other teachers retired. On the 28th there was a ceremony to celebrate the time Hirosho had with the teachers that were ready to begin the next part of their careers. Each of the teachers took a moment to recant a favorite story or talk about the things they enjoyed most about Hirosho. It was a very emotional ceremony.

This year fourteen teachers were transferred or retired. The time and effort these teachers have put into this school has been greatly appreciated and we can only hope for the best in their futures. Good luck everybody!

What's coming in April?

Entrance Ceremony

The entrance ceremony is on April 9th.

New student Orientation

First years underwent the new student orientation on April 12th.

Second year Class trip

On April 12th, the second year students went to Aquas in Shimane.

Third year Class trip.

The third year students went to Miyajima for a cookout on April 12th.

Welcoming new teachers

March brought the teacher roulette where teachers are transferred among the other high schools in the prefecture. In April, new teachers will come to fill the spots left by the leaving or retiring teachers.

In the ALT's corner...

Easter Egg Challenge

By popular demand the annual Easter Egg Challenge deadline has been pushed back! The Easter Egg challenge will now continue until the end of May so that students can have more time.

You can ask Jeremy for help too (in English)!

A brief return to America.

During the end of March and the beginning of April I got to go back to America. It was very nice to see all the friends and family. I got to meet my niece for the first time. She was nine months old and I had never seen her. I was able to eat many foods that are hard to find in Japan. Some of my favorite foods were the local pizza shops that I love, goetta, Skyline Chili. I also took the opportunity to drive a motorcycle around. Overall, the vacation was very fun, but it felt a bit too short.
