

Our Hirosho School Life!

Hirosho Department Store!!

December is a giant month for students at Hirosho High School. This month is when the largest, most important event of the year takes place. Students prepare all year for the annual department store. This year, the Hirosho Department Store was held on Saturday December 8th, and Sunday December 9th. Students in every class had to meet with different companies and decide what products they wanted to sell. After the class decides what they want to sell, they have to meet with the companies to decide a price and the amount of stock they want to try to sell. The teachers don't make the plans for the students; the students do all the work.

What items do they sell?

Many of the shops sell different foods. Some examples of the foods include various dried foods, seaweed, pickled food, vegetables, meats, cakes, and mocha. There are also food stalls that sell ready to eat foods, such as, Hirosho's special ramen, soba, oysters, churros, ice cream, and fried chicken. Many of the stores sell non-edible products as well. There is a shop that sells sporting goods. There is a used book and video game store. Some students try their hand at selling a car and a motorcycle.

The day of the event.

Many customers lined up before the opening ceremony to get a special goodie bag. After the opening ceremony, guests poured in throughout the day. They were greeted by energetic Hirosho students that were trying to encourage them to shop at their shops. Lucky customers got to see students dressed in a Hirodepanda or a cow outfit. Around 8,000 customers visited the Hirosho Department store this year.

Afterwards

The Monday after the department store, the students spend all day cleaning up and checking their totals. In the afternoon, each class has to present their results for their store. They must include how much of their stock they sold, their profit, things they changed between Saturday and Sunday, and what they would suggest to do differently next year.

Once that was over, the students only had a few more days of classes. On December 21st, the school had its closing ceremony and students were set free to enjoy their winter vacation. Great work everybody! Enjoy your vacation!
