

Our Hirosho School Life!

Rainy season.

Rainy season in Hiroshima has begun. The rainy season starts around the middle of June and goes until the end of July. It doesn't rain every day, but many times it will rain for multiple days without much change. It is a great time to show off your fancy rain boots and new umbrellas while trying to stay dry during this unpleasant time!

School News - New English board challenge.

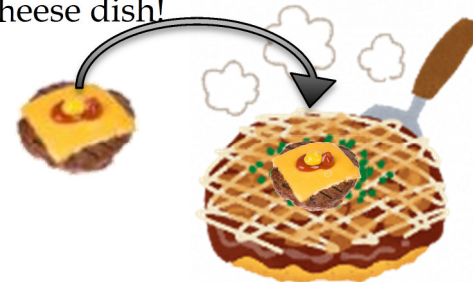

This month marks the start of a new English Challenge. This challenge is called the Frog Hunt challenge. During this challenge students can take a paper from the notice board near the student entrance. After grabbing the paper, students will have a list of fourteen locations where a frog is hiding. Each frog has a letter from the alphabet with it. Students will collect these letters, then unscramble the words to make a fourteen letter word! They can turn in their worksheets to Jeremy for a Jeremy dollar, or a sticker from America.
