## Open School

September is the time of year for open school. Middle school students visit schools to determine if they want to attend that school. This year Hirosho opened its doors for prospective students on September fifteenth. Students attended classes and club activities to experience the atmosphere of Hirosho.

Let's get excited for the new students that will come to Hirosho!

## Sports Day -

Sports day is a fierce day of competition that happens every year in September. The students split up into two teams and fight it out over different activities such as, relays, races, tug-of-war, and jump rope.

After the team competitions, they also have fun relays for each club to compete in. The picture on the right shows the competition where one team tries to throw balls into the opposing team's basket carried by one student.

Following the club relay, each grade performs a dance for the audience. Then the results of the day's competition are revealed! This year,

In this club you can learn English while having fun! Some of our favorite activities are: playing English games, watching English movies, speaking, and practicing writing. By all means, if you like English, please come to small room one and check out ESS club!
